Glendale, WI USA - November 8, 2005 -

The Humphrey Scottish Rite Center in Downtown Milwaukee (790 N. Van Buren St./at Wells St.) will be home for "An evening with Daryl Stuermer: a Benefit for Gilda's Club" on Thursday December 8, 2005. Doors open at 6:00PM with music starting at 7:30PM. This is the first stop back in the United States for internationally acclaimed guitarist and Milwaukee native Daryl Stuermer. After a whirlwind international tour with long-time musical associate Phil Collins, Mr. Stuermer returns home to perform with his own band for an evening of progressive rock/jazz. The concert will benefit Gilda's Club, one of the nation's leading support organizations for cancer survivors, their family and friends. Opening for the show will be the Electracoustic Duo. This is a unique, up close and personal opportunity to see and hear Daryl and keyboardist Kostia in a semi-acoustic setting.

In honor of this "Benefit for Gilda's Club", Urban Island Music, LLC is releasing *The Nylon String Sampler*, a limited edition collection of Daryl Stuermer's acoustic guitar compositions recorded with his band. Everyone purchasing a ticket to this Gilda's Club benefit will receive a complimentary copy of the CD.

Don't miss this special evening. Get close enough to see and hear why International music critics refer to Daryl Stuermer and his music as "World-Class".
